COMPLAINTS PROCEDURE

Version 2 July 2025

Making a complaint

If you have any complaints or concerns about the service that you have received from the doctors or staff working for this practice, please let us know

We hope that most problems can be sorted out easily and quickly, often at the time they arise and with the person concerned. If your problem cannot be sorted out in this way and you wish to make a complaint, we would like you to let us know as soon as possible – ideally within a matter of days or at most a few weeks – because this will enable us to establish what happened more easily. If it is not possible to do that, please let us have details of your complaint:

- Within 6 months of the incident that caused the problem; or
- Within 6 months of discovering that you have a problem, provided that is within 12 months of the incident.

The Quality Manager will be pleased to deal with any complaint. He/she will explain the procedure to you and make sure that your concerns are dealt with promptly. You can make your complaint::

In writing – some complaints may be easier to explain in writing - please give as much information as you can, then send your complaint to the practice for the attention of the Quality Manager as soon as possible

Via email— bobicb-ox.alchester.complaints@nhs.net

Contact form via the practice website— www.alchestermedicalgroup.co.uk

What we shall do

Our complaints procedure is designed to make sure that we settle any complaints as quickly as possible.

We shall acknowledge your complaint within 3 working days. The surgery has up to six months to respond to complaints once they have been acknowledged but we endeavour to respond much sooner than this. Once the complaint has been investigated we shall be in a position to offer you an explanation.

When we look into your complaint, we shall aim to:

- Find out what happened and what went wrong (if applicable)
- Make it possible for you to discuss the problem with those concerned, if you would like this and if applicable.
- Make sure you receive an apology, where appropriate
- Identify what we can do to make sure the problem doesn't happen again (if applicable)
- Explain whether your complaint has been upheld, partially upheld or not upheld.

At the end of the investigation your complaint will be discussed with you in detail, either in person or in writing.

Complaining on behalf of someone else

Please note that we keep strictly to the rules of medical confidentiality. If you are complaining on behalf of someone else, we have to know that you have his or her permission to do so. A note signed by the person concerned will be needed, unless they are incapable (because of illness) of providing this.

We hope that, if you have a problem, you will use our practice complaints procedure. We believe that this will give us the best chance of putting right whatever has gone wrong and the opportunity to improve our practice. If you do not want to complain directly to the surgery you can submit your complaint to South East Complaints Hub. Contact details are below:-
